## The cost of seeing your GP.

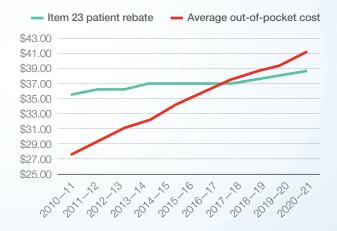

## Why is there a GAP?

## Your Medicare rebates haven't kept pace with inflation 1,2

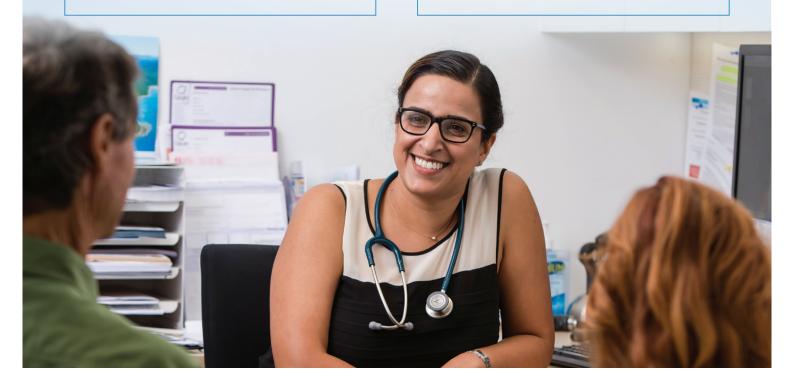

The cost of providing healthcare has gone up by 17.6% in the last decade, but your Medicare rebates have increased by just 10.5%.

## Your out-of-pocket costs are increasing 2,3

Average out-of-pocket costs are now higher than the Medicare rebate for a standard GP consultation.

It's time to prioritise the health of all Australians.

Ask your GP today about how you can write to your local MP.
